```
graph TD; A["/mnt/Volume_3/Gentoo  
/projects/Cplus/SymbolFinder  
/src/DriverWidgets/nmwidget.cpp"] --> B[nmwidget.h]; B --> C[qwidget.h];
```

A vertical flowchart with three rectangular boxes. The top box is shaded gray and contains a file path. A blue arrow points down from the bottom of the top box to the top of the middle box. The middle box is white with a black border and contains a header file name. Another blue arrow points down from the bottom of the middle box to the top of the bottom box. The bottom box is white with a light gray border and contains another header file name.
